## Questions/Answers

Q 1) I hereby affirm that I have viewed the class "AI in Psychology" in its entirety. I have already or will shortly complete 1 to 2 hours of self study, research, reading, reflection and/or application of the concepts/skills presented using the AIU online library or other mediums.

A 1) Yes

Q 2) Provide a short summary of the concepts or topics you learned about today" (minimum 300 characters)

A 2) This is about how artificial intelligence came about. The study is about how to make computers solve problems. The study explained how computers are made to emulate intelligent behaviour. It also explains that the computers lack emotions and decision making. Artificial intelligence is made in the human form so as to make them perform human roles. AI is part science and part engineering.

Q 3) What is the most important concept(s) that you gained for today's Live Class? (minimum 300 characters)

A 3) From the study and questioning, the AI is as intelligent as how you program it. The AI cannot do any job that needs some thinking. The Chinese room experiment helped to clear this. The AI doesn't have the intelligence of the human brain. It only gives out what is programmed into it. The AI may not eventually replace all humans in workplaces.

Q 4) How would you apply what you learn today to improve your life of work? (minimum 300 characters)

A 4) AI is a tool that can be used for a lot of good purposes. I can use the Artificial intelligence as my assistant at work. It can take the details of clients and answer a few questions to save a lot of time. It will only refer things I need to use my discretion such as making a refund or taking a decision.

Q 5) Independent Research: AIU Live Classes are a starting point for further learning beyond the class. Search similar content either online or in the AIU online library and review it then share the name or link here (can be a video, academic publication, web site. lecture or book (minimum 10 characters)

A 5) What is ChatGPT doing and why does it work? Stream live with Stephen Wolfram. [youtube.com/watch?v=f1XrGPY3SU](https://www.youtube.com/watch?v=f1XrGPY3SU)
