Multiple Choice Question

What are some common obstacles to human development?

Available Options:

- (A) A. Poverty
- (B) B. Climate change
- (C) C. Access to education

(D) D. All of the above ← STUDENT SELECTED ← CORRECT ANSWER

Student's Answer: Option D: D. All of the above

Correct Answer: Option D: D. All of the above

Question 2 of 10

Text Answer Question

How does gender inequality hinder human development?

Student's Answer:

Gender inequality speaks of the vast preference and support of a specific gender over the other. for example, certain jobs are easily attained by a male as opposed to a female, therefore this will stagnate and cause disfunction as opportunities and provision will be predominantly channeled in one direction.

Correct Answer:

Gender inequality can limit access to education, healthcare, and economic opportunities, leading to lower levels of human development.
